### HIS NINE VICTIMS.

Complete List of the Nine Victims Who Have Fallen a Prey to the Whitechapel Murderer.

New York World.

No. 1.—On April 3, Emma Elizabeth Smith, a woman of the town, was murdered in Whitechapel.

No. 2.—On August 7, 1888, the body of Martha Tabram, a hawk-er, was found on the first floor landing of the George Yard buildings, Commercial street, Spital-fields. The head was nearly severed from the body, and there were thirty-two stab wounds, besides the usual mutilations. The murder was committed between midnight and dawn.

No. 3.—Mary Ann Nichols, aged 42, a woman of the lowest class, was killed and mutilated like the rest. Her body was found in the street in Buck's row, Whitechapel, in the early morning of Friday, August 31. She had evidently been killed somewhere else and her body carried where it was found, for little blood was discovered where the body lay.

No. 4.—Just a week after the killing of the Nichols woman, Annie Chapman, aged 45, another fallen woman, was similarly murdered and mutilated. Her body was discovered in the back yard of 29 Hanbury street, 100 yards from the place where the Nichols woman's remains were found. She must have been butchered after 5 A. M., for she was dinking with a man, probably her murderer, at that hour in a public house near by. On the wall near the body was written, in chalk: "Five; fifteen more, then I give myself up."

No. 5.—On Sunday, September 23, a young woman was murdered at Gateshead, near Newcastle-on-Tyne, in the north of England. All the circumstances, even to the peculiar mutilation of the body, point to the Whitechapel fiend as the murderer.

No. 6.—Another Whitechapel woman, Elizabeth Stride, nick named "Hippity Lip Annie," 40 years old, was murdered in Berners street, on Sunday, September 30, at about 1 A. M. Her throat was cut, but there was no slashing of the remains. The body was warm when found and the murderer had been apparently frightened away.

No. 7.—Fifteen minutes after the discovery of the butchery of "Hippity Lip Annie" the mutilated body of another victim, a degraded woman of the Whitechapel district, named Catharine Eddowes, was found in the southwest corner of Mitre square.

No. 8.—On October 2 the highly decomposed remains of a woman, shockingly mutilated and giving evidence of having been killed by the Whitechapel murderer, was found on the site of the projected Metropolitan opera house, on the Thames embankment. This was evidently one of the "five" to which the fiend referred when he chalked the legend over the body of Annie Chapman in Danbury street on September 8. [This place is near Charing Cross, three miles west of the Whitechapel district.]

No. 9.—The last murder, on November 9, took place in a house in a little lane called Dorset street, near Commercial street, Spital-fields. The name of the shockingly mutilated victim was Mary Kelly. She was a native of Limerick.

Comfort Under the Waistband.  
The call of the stomach must be answered even at the cost of subsequent discomfort. How to make digestion a regular sequence of the satisfaction of appetite, so long baffled medical investigation that it was almost given up in despair, and dyspepsia viewed as well nigh incurable. Hostetter's Stomach Bitters came to the rescue of the dyspeptic, and upset the theory of incurability. If it be used with persistence, and common sense in diet be not constantly violated, the Bitters will most certainly restore vigor and tranquility to the stomach and constant regularity in its digestive functions. The dyspeptic who uses it systematically soon ceases to suffer after dinner penalties, and enjoys comfort under the waistband between meals. A beneficent change, truly, and one that is aided by a sedulous avoidance of indigestion in eating and drinking. Constipation, biliousness, nervousness, malaria, kidney troubles and debility are easily remediable with this fine restorative.

Electricity moves 288,000 miles per second.

**BETTER THAN BLOODY BATTLES.**  
General Wheatcroft Nelson says: "My experience in the English army as well as in America, convinces me that nothing so thoroughly purifies the blood or adds to health, vigor and life as Acker's English Blood-Purifier. This great Remedy is sold under a positive guarantee by J. W. Conn, Druggist."

A "marriage trust" is the latest in combines. One of these benevolent organizations has been started in New Albany, Ind. It is intended to facilitate matrimony for eloping couples from Kentucky by providing the speediest ways of performing the wedding ceremony.

General Harrison, when in the senate, favored giving North Dakota the name of Lincoln. If the suggestion meets with favor, the southern section of the territory will retain the sole and exclusive use of the name Dakota.

The number of vessels hailing from Gloucester, Mass., which have been lost during the year is fourteen, one more than during the previous year. The total loss of life is sixty-three, leaving sixteen children fatherless.

The Rev. L. P. Gray of Earlville, N. Y., a prohibitionist, has resigned his charge because he was serenaded by Harrison paraders one night shortly after the election.

Memory culture is a fad in New York, and classes are being formed numerously. Perhaps it is a part of the exercises, but members have to pay their fees invariably in advance.

**Personal**  
Dear Bro. MEEK, Ed. "The Central Methodist," Catskillsburg, Ky. I see in the last "Sentinel" that you want a sick headache remedy. I suffered from sick headache, almost from infancy, and tried every remedy I could get, but never found anything to do me good until I used Simmons' Liver Regulator. I feel for anyone that suffers with that terrible disease, and I hope you will give it a trial.—C. S. MORRIS, Brownsville, W. Va.

The fish commissioner at Carson expects 400,000 New Hampshire trout eggs and 30,000 Mackinaw trout from the United States fish hatchery.

**HOW DOCTORS CONQUE DEATH.**  
Doctor Walter K. Hammond says: "After a long experience I have come to the conclusion that two-thirds of all deaths from coughs, pneumonia and consumption, might be avoided if Acker's English Cough Remedy were only carefully used in time." This wonderful Remedy is sold under a positive guarantee by J. W. Conn, Druggist.

Three thousand men are at work in Chicago at raising a six-story building six feet five inches. It will take \$40,000.

**Rapid Beating of the Heart.**  
Whenever you feel an uneasiness in the region of the heart, a slight pain in the shoulder, arm, or under the shoulder-blade, or when you find yourself short of breath when exercising, or your heart has periods of being fast, you have heart disease, and should take Dr. F. LINT'S REMEDY. Descriptive treatise with each bottle; or, address Mack Drug Co., N. Y.

There were 7,572 cases of suicide in France last year, of which 1,420 were in Paris. Only 1,608 were women.

**CARELESS MOTHERS.**  
Many mothers have permitted their children to die before their eyes when they might have been saved. Any mother who keeps house without a bottle of Acker's English Baby Soother at hand, runs a risk which she may sometime regret. It has saved the lives of thousands of children, and is doing so every year. J. W. Conn, Druggist.

There will be no change in the religion of the White house. A Presbyterian will go out and a Presbyterian will go in.
